No one under eighteen (18) years of age will be employed without providing proper proof of his or her age. Minors will be employed only in accordance with state and federal laws and District policies.

Equal Employment Opportunity

It is the policy of the District that no person may be illegally discriminated against in employment by reason of their age, race, creed, color, disability, pregnancy, marital status, sex, citizenship, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, membership in the National Guard, state defense force or any other reserve component of the military forces of Wisconsin or the United States, political affiliation, use or nonuse of lawful products off the employer's premises during nonworking hours, declining to attend a meeting or to participate in any communication about religious matters or political matters, the authorized use of family or medical leave or workers' compensation benefits, genetic information, or any other factor prohibited by state or federal law.

Reasonable accommodations shall be made for qualified individuals with a disability, unless such accommodations would impose an undue hardship on the District. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities.

Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with District policy.

The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the policies of the District. Reference Board Policies 511, Equal Opportunity Employment and 511R, Employee Discrimination Complaint Reporting Procedures, Rule, available on the District website.

Fair Labor Standards Act

Certain types of workers are exempt from the minimum wage and overtime pay provisions, including bona fide executive, administrative, and professional employees who meet regulatory requirements under the Fair Labor Standards Act (FLSA). For non-exempt employees, issues concerning overtime,

compensatory time off, minimum and notification of rights under FLSA are found in each building work area and in the District Office mailroom.

Family and Medical Leave Act (FMLA)

- A. Notification of Benefits and Leave Rights: Information concerning FMLA entitlements and employee obligations under the FMLA is included in this Handbook as required by federal law. The District shall also post the notice contained in the following link in a conspicuous place where notices to employees and applicants are customarily placed. (<http://www.dol.gov/whd/fmla/finalrule/FMLAPoster.pdf>)

The notice is posted in each building work area and in the District Office mail room. A copy of the FMLA request form, notification of benefits and leave rights, eligibility notice, designation notice, and rights and responsibilities notice are on the District website.

- B. Eligibility Notice. When an employee requests FMLA leave, or when the employer acquires knowledge that an employee's leave may be for an FMLA-qualifying reason, the employer must notify the employee of the employee's eligibility to take FMLA leave within five business days, absent extenuating circumstances.
- C. Rights and Responsibilities Notice. The District shall provide written notice outlining specific obligations of the employee and explaining any consequences of not meeting those requirements. The District is satisfying this notice requirement by directing the employee to the following website, which combines the eligibility notice and the rights & responsibilities notice into a single form: U.S. DEP'T OF LABOR, Notice of Eligibility and Rights & Responsibilities (FMLA), available at <http://www.dol.gov/whd/fmla/finalrule/WH381.pdf>.
- D. Designation Notice. The District shall inform employees in writing whether leave requested under the FMLA has been determined to be covered under the FMLA. U.S. DEP'T OF LABOR, Designation Notice (Family and Medical Leave Act), available at <http://www.dol.gov/whd/forms/WH-382.pdf>.

Immigration Law Compliance

The District is committed to employing only United States citizens and aliens who are authorized to work in the United States. Therefore, in accordance with the Immigration Reform and Control Act of 1986, employees must complete an I-9 form before commencing work and at other times prescribed by applicable law or District policy.

Discrimination and Harassment

The District will not tolerate discrimination or harassment. Harassment includes action on the basis of a protected class, such as race, color, religion, sex, national origin, disability, marital status, or sexual orientation. See school board policy regarding this matter.

All employees are responsible for ensuring that discrimination and harassment do not occur. It is the intent of the District to comply with both the letter and spirit of the law in making certain illegal discrimination does not exist in its policies, regulations and operations. Anyone who believes that he or she has been the subject of discrimination or harassment or has knowledge of violations of this policy shall report the matter in accordance with established complaint procedures available on the District website. Reference Board Policies 512, Employee Harassment/Intimidation and 512R, Employee Harassment/Intimidation Complaint Reporting Procedures.

All reports regarding employee discrimination or harassment shall be taken seriously, treated fairly and promptly and thoroughly investigated. Individual privacy shall be protected to the extent possible. There shall be no retaliation against any person who files a complaint under this policy. The District shall take appropriate and necessary action to eliminate employee discrimination or harassment. Actions that result

in discrimination on a basis not related to an employee's job performance or those that are determined to be harassment shall be subject to disciplinary action, up to and including dismissal.

All employees have a duty to report incidents of potential discrimination or alleged harassment to their immediate supervisor or designated equal employment officer. SECTION 1. PROFESSIONAL HOURS

Normal Hours of Work

Professional staff are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1) (L), Wis. Stats.

Professional staff are responsible for completion of their professional duties as set forth by the District, whether such duties are performed at the employee's work site or elsewhere. Specific work schedules, including hours and days of work and duties and responsibilities, will be established by the employee's supervisor and/or the District.

Administratively Called Meetings and Staff Development Sessions

Both part-time and full-time professional staff are required to attend all mandatory administratively called staff meetings and staff development sessions. The administrators shall attempt to provide reasonable notice of all such meetings. Professional staff who are required to attend any type of administratively called meetings will receive no additional remuneration above their regularly paid salaries for attending such meetings.

Attendance at School Events

Professional staff are required to attend all school events related to their professional responsibilities, as directed by their supervisors. Examples of this include open houses, parent-teacher conferences, and particular programs and events as they relate to specific positions within the school district. Staff members shall be given reasonable notice of such events. Professional staff who have an extra-curricular conflict or have pre-approved coursework to attend may be excused at the discretion of the Building Principal. Professional staff shared between two or more buildings should consult with the principal of each building to determine the amount of time spent at each building for such school events.

Emergency School Closures

In the event the District is closed or an individual building(s) is closed, full or partial day closures may be made up at the discretion of the District. The District shall, at a minimum, make up all days/hours necessary to guarantee the receipt of state aids and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin.

SECTION 2. TEACHER SUPERVISION AND EVALUATION

Evaluators

Every teacher in the District will be supervised and evaluated by an administrator and/or his/her designee. The administrator may be a certified building principal, associate principal, Superintendent, Director of Curriculum and Instruction, or Director of Special Education and Student Services. The District will provide the employees with their placement within the supervision and evaluation rotation cycle. The District may modify this list at any time during the school year. The District shall have the sole right to determine whether or not employees shall be evaluated and by which supervisory personnel.

Evaluation Process

A. Basic Requirements

1. An employee new to the District shall be formally evaluated at least three (3) times during the first year of employment. Evaluations shall consist of a pre-conference, observation, and post-conference. The first two evaluations must be completed by February 1.
2. A continuing employee shall be formally evaluated every school year, every second school year, or every third school year at the discretion of the District.

3. All required observations must be completed by May 31.
 4. All formal observations will be followed by a conference with the administrator. This conference will take place within ten (10) working days of the actual observation.
 5. Assistance, recommendations and directions may, at the discretion of the District, be provided to each teacher in an attempt to correct professional difficulties observed.
- B. Acknowledgement of Receipt and Response: The teacher shall acknowledge receipt of all documents related to supervision and evaluation by signing and dating the document within ten (10) school days of the conference. The teacher shall have the right to attach a report with any remarks concerning the document(s). Acknowledging receipt does not imply agreement with all or part of the documents received. Any employee wishing to comment on the evaluation or who feels the evaluation was incomplete, inaccurate, or unjust may reduce those comments or objectives to writing and have them attached to the evaluation instrument to be placed in the personnel file. A teacher may attach a response to any document related to this process after the teacher's receipt of the evaluation document(s) listed above. The file copy of the evaluation and any comments or objectives shall be signed by both parties to indicate awareness of the content. The response must be initialed by the supervisor.
- C. Copy of Evaluation Forms: A copy of the teacher evaluation form will be made available to all teachers. Other evaluation forms specific to certain jobs will be disseminated to appropriate staff as they are developed.
- D. Performance Improvement Plan: Continuing teachers whose overall performance has not met expectations may, at the discretion of the District, be placed on a Performance Improvement Plan and may or may not be non-renewed pursuant to applicable state statutes. If, in the District's discretion, a Performance Improvement Plan is necessary, the plan will include the following:
1. Goal of a Performance Improvement Plan: The goal of a Performance Improvement Plan is for the teacher to meet performance expectations. The plan will be designed to meet the specific needs of the teacher and the performance expectations of the District.
 2. Content of a Performance Improvement Plan: It may include a description of the teacher's deficiencies, a description of appropriate performance, a goal setting plan to help the teacher develop required skills, a schedule of supervisory activities including at least one additional evaluation, and a target date(s) by which time the teacher will perform satisfactorily. The plan is not limited to, but might include, the following interventions: any means of staff development defined in the District staff development plan, observations and/or support by experts outside the District, and/or peer coaching or mentoring.

Teacher Mentor Program

- A. Description: Recruitment, hiring, and retention of high quality professional staff members are essential to the continued success of the Grafton Schools. Equally important is support to these new educators so that they will be successful in teaching our children and be committed to remaining with the District.

New teachers (mentees) are those:

- new to the teaching profession,
- new to the District or returning to the profession after a significant absence (as determined by the administration), and
- in major assignment changes within the District.

Mentors shall be recruited by the building principal from among persons who have:

- completed the District training program,
- at least five (5) years teaching experience with at least three (3) years in the District,

- satisfactory evaluations,
- completed the District application form, and
- a valid teaching license.

After the principal recruits a mentor for the new mentee, this shall be shared with the Director of Curriculum and Instruction.

Goals of the mentoring program include:

- enhance beginning teacher performance
- attract and retain beginning teachers
- promote professional collegiality
- facilitate the personal and social adjustment of the new teacher to the school and community
- provide an understanding of the climate and culture of the school district and community
- meet the goals and requirements of PI34 and the state teaching standards

Structure: There are many ways in which these goals can be met. The following program attempts to provide a framework and will be regularly reviewed and evaluated. The following chart explains the mentoring structure and time commitment.

What:	Who:	What:
New Teacher Orientation	All teachers newly hired to the District	3 days in August prior to the start of the school year for new teachers; mentors are present for 2 days
1 st year Mentoring Program	1 st year teachers to the profession	Five District seminars after the school day for two hours each
	Newly hired experienced teachers	Weekly meetings with the mentor/mentee at mutually agreed-upon time for 30-60 min.
2 nd Year Mentoring Program	2 nd year teachers to the profession	Five District seminars after the school day for two hours each
	2 nd year experienced teachers who express an interest	Two meetings a month with the mentor/mentee at a mutually agreed-upon time for 30-60 min.
	2 nd year experienced teachers based upon principal request	

B. Structure for New Teachers (Mentees) in the Mentor Program

1. New Teacher Orientation—Prior to the start of the school year all new teachers hired to the District will participate in activities at a three day orientation in August. The intent is to provide an introduction to the District and community; develop an understanding of the mentor program and its expectations; and to begin working with the mentor and administration on designated activities.
2. 1st Year Mentoring Program
 - a. Weekly meetings with mentor and mentee. These meetings will take place outside the student teaching day, during common preparation time, or during release time. Meetings

- will include review of the District checklist, a review of the past week, and goal setting for the following week.
 - b. New teachers will participate with the mentor and building administrator in quarterly non-evaluative conferences relating to teacher expectations.
 - c. New teachers may be released from their regular scheduled duties for up to two days equivalent per year to visit and observe other classrooms after discussion with the mentor and principal.

- C. Structure for Mentors in the Mentor Program
1. Mentor Training: Mentors will participate in a mentor-training workshop provided by individuals contracted by the District prior to beginning mentorship duties. All training will be at the District's expense. The mentors will be paid an amount equal to the District's per person cost of one (1) credit of tuition or receive the three (3) credits offered for the class for their participation in the training.
 2. Mentor Criteria: The following criteria shall apply to mentor selection:
 - a. Three years of successful teaching experience in the District and a total of at least five years teaching experience overall.
 - b. Appointment for up to three years, renewable by agreement.

 5. Mentor responsibilities during the school year for the 1st year mentoring program:

Days/time (periods) will be scheduled following consultation with the building principal. Mentors shall be available for at least six (6) one-half day visitations per mentee per year.
 - d. Mentors cannot be required or empowered to evaluate any other teacher. The mentors shall not be involved in any phase of observation that may be used for employment evaluation. However, there should be communication between the teacher, mentor, and administrator to avoid conflicting messages. All communication between mentor and the mentee shall remain confidential (i.e., exclusively between them). The mentor may

provide a letter of recommendation for the mentee, but such letter shall not be used as part of the mentee evaluation and shall only be released to the mentee.

6. Mentor responsibilities during the school year for the 2nd year mentoring program:
 - a. Two (2) meetings a month with mentor and mentee for 30-60 min.
 - b. Five (5) District seminars or study teams during the school year for about two hours each with mentor and mentee.

- D. Mentor Removal or Change Request: Either the mentor or mentee may request a change of mentors during the school year. These requests are to be made to the building principal.

The Mentor may request to be removed from mentoring a mentee. The removal of the mentor will not occur without the mentee being informed. If the mentee no longer wishes to participate, the request shall be granted and a new mentor provided as soon as possible. There shall be no recriminations once the mentor makes the request.

The mentee may request the removal/change of a mentor. A new mentor will be provided as soon as possible.

- E. Mentor Incentives: The mentor shall be paid the amount of \$1000.00 per mentee during the 1st year mentoring program and \$500.00 per mentee for the 2nd year mentoring program. Registration should be paid through a District purchase order if at all possible. The District will not pay for any alcohol.

Substitutes for Teachers

Instructional aides, with teacher licensure, assigned to substitute for an absent teacher for one class period or more will be paid the daily substitute rate (or prorated) for the time spent substituting for a teacher during the teacher's absence, provided that rate is more than they would earn for the same period as an aide. By definition, instructional aides who do not hold teaching or substitute certificates are not qualified teachers and shall not be required, permitted nor authorized to take the place of a teacher for the purpose of instructing students during times that a qualified substitute for that teacher could reasonably be expected to be hired.
